SUMMARY

An Associate Software Developer with an experience of working on live projects to meet the client's expectations. Proficient in problem solving and working with a team, I look forward to give my best to help me and my organization grow.

SKILLS

Languages: PHP, C++, SQL, Python, JavaScript, HTML, C.

Frameworks: MVC Frameworks, Laravel, Node.js

Databases: Sql, MongoDB

PROJECTS

PHP, Laravel, MySQL, Bootstrap, HTML/CSS/JS

Blog Application
https://github.com/sahillodha19

Blog Management : Easy blog creation, editing, and deletion.

User Authentication & Authorization: Secure user registration and login.

Personalized Experience: Customizable user profiles and dashboards.

Social Networking: Messaging system and follow/unfollow functionality.

PHP, Laravel, MySQL, Bootstrap, HTML/CSS/JS

Interview Scheduling App
https://github.com/sahillodha19

Role-based Access Control: Implemented authentication and authorization mechanisms for admin, interviewer, and candidate users, ensuring secure access to relevant features.

Scheduling Functionality: Enabled users to schedule and manage interviews efficiently through an intuitive interface.

Notification System: Integrated email notifications to keep users informed about interview updates and reminders.

Customizable Dashboard: Designed customizable dashboards for different user roles, providing a tailored experience based on user needs.

Database Management: Utilized MySQL database for data storage, ensuring reliability and scalability.

HTML, CSS, Python, JS, Machine Learning Flask

Movie Recommendation System
https://github.com/sahillodha19

This is an intermediate-level project made with the help of Pythons libraries and APIs. It performs sentiment analysis based on user reviews and recommends movies. It involves collection of data from Kaggle and Wikipedia, preprocessing the data, making models, web scrapping, etc.

EDUCATION

| 7/2020 - present | **Chandigarh University** | Mohali, Punjab |
B.E. CSE (Hons. Big Data and Analytics) | CGPA : 8.5

| 03/2020 | **Burnpur Riverside School** | Burnpur, West Bengal |
Intermediate | PCM | Percentage : 95.8%

| 03/2018 | **St. Patrick's H.S. School** | Asansol, West Bengal |
